

## SK Laurin

Optimales Zusammenspiel von Form und Funktion: Die Armaturenserie SK Laurin ist äusserst preiswert und sorgt mit besten Energiewerten für einen geringen Wasserverbrauch. Mit dem schlichten und dennoch freundlichen Design passt sie sich zudem jedem Badezimmer an.

Un connubio perfetto di forme e funzionalità: ad altissima efficienza energetica, la serie di rubinetti SK Laurin è estremamente conveniente e riduce il consumo di acqua. Non solo: con le sue linee semplici ma ergonomiche, la serie si integra perfettamente in ogni bagno.

Interaction optimale entre forme et fonction: la série de robinetteries SK Laurin est extrêmement précieuse et assure de faibles consommations d'eau et d'énergie. Avec un design sobre et sympathique, elle s'adapte à toutes les salles de bains.

A perfect match of form and function: the SK Laurin tap series is exceptionally good value and the highest energy ratings also promise low water consumption. A minimalist yet attractive design, it is the perfect fit for any bathroom.
